Dominique ROMANO enters the capital share

CYBERGUN, a world leader in recreational shooting, is pleased to announce the entry of Dominique ROMANO, a successful business Angel, into the capital share.

Dominique ROMANO is an expert investor who controls his own investing fund, through the company GUIBOR, which owns shares in about a hundred companies. He is also known to have contributed to the expansion of the company www.vente-privee.com Dominique ROMANO has a strong experience in assisting innovative companies especially in internet trading where CYBERGUN is seeking to expand.

Dominique ROMANO had the opportunity to acquire 4,4% of CYBERGUN's share capital for 1MEUR, through his company GUIBOR, from a share disposal by RESTARTED INVESTMENT without any discount in relation to the closing price of Friday evening (0.31EUR). He has committed to keep his shares for at least 6 months and also considers strengthening his participation in the capital in the coming weeks and months.

Dominique Romano could acquired those shares before CYBERGUN's Annual General Meeting to be held on September 23, 2015 (at the company's registered office at 2:30 p.m) which should approve the appointment of GUIBOR to the Board of Directors. All this proves that Dominique ROMANO is eager to get actively and personally involved in the Group's recovery.

Dominique ROMANO said: « I felt the need to prove I am not only seeking for a position on the Board of Directors. I strongly believe Cybergun is developing the right strategy and carrying out the necessary actions to achieve a sustainable and efficient recovery. Today, I am joining claud SOLARZ and his team as shareholder of CYBERGUN GROUP with the prospect of joining the Board of Directors if shareholders approve my appointment on September 23. »
