New subscription action coupons (BSA) modality and first quotation day for grouped stocks

CYBERGUN, leader in the leisure shooting area, would like to remind that the fiscal year parity for the Subscription Action Coupons (BSA) A & B currently running, was modified following the grouping of the stocks starting today (new stock code for the grouped stocks is: FR0013204351 – ALCYT). From now on:

BSA A	BSA B
<ul style="list-style-type: none">• Parity: 10 BSA for 1 stock• Fiscal year price: 0,875 €• Term: December 31th 2016• Number of BSA still running: 6 146 844	<ul style="list-style-type: none">• Parity: 40 BSA pour 1 action• Fiscal year price: 1,061 €• Term: December 31th 2017• Number of BSA still running: 6 165 251

The fiscal year entirety of those subscription coupons would reinforce the owned funds and treasury of the company by a total of 0.7M€ via the issuance of 768 816 new stocks.

CYBERGUN also confirms that it's respecting the eligibility criteria from the PEA-PME based on the application decree from March 4th 2014 (decree n°2014-283). As a result, CYBERGUN stocks subscribe by BSA fiscal year can be fully integrated within the stocks saving plans (PEA) and PEA-PME accounts, which benefits from the same fiscal advantages as the regular PEA.

Hugo BRUGIERE, Vice-President & CEO of the group, declares: « *Given the current rate of CYBERGUN's stock, the BSA fiscal year currently running is an opportunity for the carrier to reinforce the company's turnover and at the same time to keep the interests of the coupons that were at the heart of the turnover increase that was done last year* ».
