TAKEOVER BY RESTARTED INVESTMENT AND DECLARATION OF INTENTIONS

CYBERGUN, a world-leader in the leisure shooting market announces the takeover of the company by RESTARTED INVESTMENT and provides information about their intentions.

After the success of the last capital increase, which increased the company's equity to over 20 million Euros and reduced its net financial indebtedness to below 20 million Euros, RESTARTED INVESTMENT, is now the majority shareholder of CYBERGUN.

RESTARTED INVESTMENT is a company controlled by Claude Solarz, who was appointed Chairman of the Board on 31 October last.

Following the official announcement, Claude Solarz said: *"We must formalise the takeover of CYBERGUN by RESTARTED INVESTMENT with transparency and clearly demonstrate that we have made an investment which we intend to follow through with, particularly within the framework of the turnaround plan implemented by the management team under the control of the new CEO, Bernard Liatti. We also intend to promote liquidity of the shares if required, or if the market requests it, within authorised limits which stand at a maximum of 20% of daily volume. To this end, we have instructed the financial institution managing our holdings to intervene with share disposals and acquisitions as per current regulations. This policy has resulted in some marginal sales of shares during the sessions of the 5th and 6th of January, and may give rise to share acquisitions in the future. In any event, RESTARTED INVESTMENT has reaffirmed its intention to retain control of the company while protecting the interests of the minority shareholders. They have supported CYBERGUN in the past and we will not forget them."*
